

Dear Christian Friend,

The enclosed DVD, *Kazakhstan: Following a New Path*, is a gift to be shared with others. **The 27 chapters - with a total run-time of 183 minutes** - provide a variety of information concerning the country, the people, their history, and their lives today. A brief introduction of each of the chapters is provided on the flyer inside.

Kazakhstan is located in central Asia and was once a part of the former Soviet Union. China is to the East and Russia to the North and the West. Kazakhstan has an area of approximately one million square miles, one half that of the continental United States but with a population of less than 16 million. It is a country endowed with abundant natural resources and a multi ethnic people with a long history of cultural traditions and the ability to survive in the harsh environment of the place they call home. It was also a place and a people where exploitation, slave labor, mismanagement and oppression were all around. Yet, today they take pride in an exuberant free market economy and a constitutional democracy. This is a place with over 100 ethnic groups living side by side and going about their daily routines. About 55% are Kazakhs, 30% Russians and the remainder include Germans, Ukrainians, Uygars and Tatars.

Our desire is that this DVD will give you insight into the Republic of Kazakhstan. Our prayer is that through this material you will better understand those living in Kazakhstan and be more prepared as you labor toward reaching the peoples of this new country for Christ.

- Will you go and stand alongside the few who have decided to follow Jesus?
- Will you work with churches and believers in both the cities and rural areas of Kazakhstan?

You can make an eternal difference.

- ❖ Pray that many will respond to God and take the Good News to Kazakhstan.
- ❖ Pray that the people will turn to Jesus and experience the hope, joy, love and peace found through faith in Him.

The dual layer DVD disc used for the files may not play on older DVD players.

There are a variety of ways, places and times this DVD can be viewed and utilized to mobilize prayer for the people of Kazakhstan. – Home fellowship groups view throughout the year to learn and pray, mission groups lead members to pray, view in your worship times and youth meetings or perhaps you could even invite friends to your place for coffee or tea and show it to them for a time of prayer for Kazakhstan.
