

Dear Christian Friend,

Please accept the enclosed DVD, *Bangladesh - Living on the Edge* as a gift to be shared with others. This DVD has 18 chapters divided into three sections as follows: The Country, The People, and The Outreach. Several of the chapters listed under the first two sections are appropriate for showing to secular audiences such as schools.

Additional information on each chapter is on the flyer inside the case. Read also the important personal message from those working in Bangladesh.

We pray that this information will enable you to gain a better understanding of the different people groups. As you view these chapters, pray specifically for these people. Pray that they will be open to the Good News of Jesus. Pray for courage and continued joy for the Believers.

Our desire and prayer for those viewing this DVD is for God to work in hearts to become involved and step out on mission. This may be through **prayer support**, going as a **short term volunteer**, or as a **career representative**. Some of the world's open doors are beginning to close. Please pray that many will realize the urgency of the task of sharing the Good News of Jesus.

Please review the DVD and share it with your friends and your church family. **Please DO NOT put this information on a shelf to gather dust.** If additional copies are needed, please contact us from our web site at [www.crfmedia.com](http://www.crfmedia.com).

Blessings and joy,
