

Dear Christian Friend,

Please accept the enclosed DVD, *MEXICO - Cultural Tradition and God's Word* as a gift to be shared with others. Filming was done in March-April 2004 in and around Puebla, Mexico as well as in the rugged Sierra Madres of southeastern Mexico. This DVD has 10 chapters divided into four sections as follows: Puebla, The Free Trade Generation, The Mazatecos, and Volunteers. Two of the chapters, *Workers From the Hills* (The Mazatecos) and *Delicious Food* (Volunteers) are appropriate for showing to secular audiences such as public schools. Total run time is 78 minutes.

We pray that this information will enable you to gain a better understanding of the different people groups. As you view these chapters, pray specifically for these people. Pray that they will be open to the Good News of Jesus. Pray for courage and continued joy for the Believers.

Our desire and prayer for those viewing this DVD is for God to work in hearts to become involved and step out on mission. This may be through prayer support, going as a short term volunteer, or as a career representative. Some of the world's open doors are beginning to close. Please pray that many will realize the urgency of the task of sharing the Good News of Jesus.

Please review the DVD and share it with your friends and your church family. Please **DO NOT** put this information on a shelf to gather dust. If additional copies are needed, please contact us from our web site at [www.crfmedia.com](http://www.crfmedia.com).

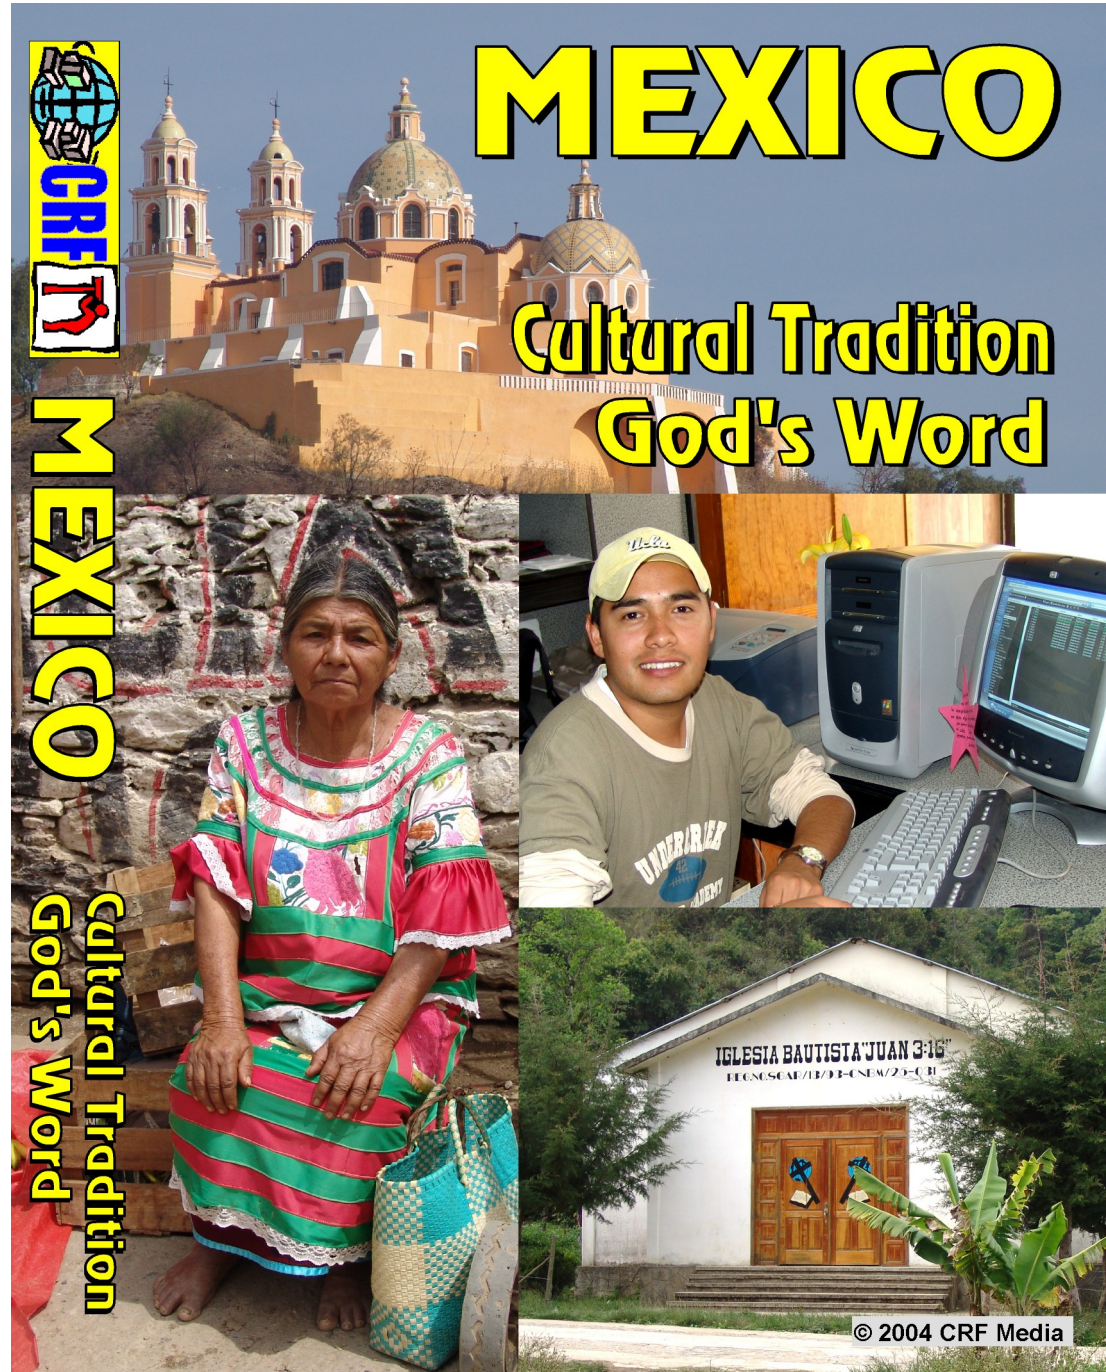

Blessings and joy,
