

Greetings in the name of Jesus from the Montenegro Team

We are sending this DVD to you in the hope that you will better understand the people of Montenegro and their need for a personal relationship with Jesus. This small republic of the former Yugoslavia emerged from the disintegration of that once great nation as a land of disillusioned people with no hope for the future. Church has become little more than tradition among the people and they rarely think about matters of eternity or a personal relationship with God.

The Montenegro Team has a passion to work with God in establishing a church planting movement that will bring hope for every heart in the country.

Our prayer is that you will watch the DVD and be sensitive to the Holy Spirit as you see just where God wants you to work with Him in this land. We pray that you will gain ...

- † A deeper awareness and understanding of the people of Montenegro and their spiritual needs...
- † An insight of God's heart and vision for the people of Montenegro...
- † A desire to join us as a prayer warrior for the people of Montenegro...
- † A leading to become a short-term volunteer or long-term worker helping to bring hope to every heart in Montenegro...
- † A vision to promote the people of Montenegro to others interested in adopting a people group.

The presentations on this DVD can be used ...

- † To promote missions...
- † To assist in the promotion of a short-term mission trip to Montenegro...
- † During a mission conference or worship service...
- † In Sunday School classes...
- † In any way the Holy Spirit leads you.

We know that God speaks to you just as He does to us. We are expecting great things as God moves in this country in the coming months. Please share your comments about the presentation with us or join our prayer team by writing to us. Remember, we truly covet your prayers for our team and the people of Montenegro. Your action can make a difference!

In His Love,

The Montenegro Team
