

Dear Christian Friend,

The enclosed DVD, **Southeastern Africa - A People Still Waiting**, is a gift to be shared with others. The chapters on the DVD provide a variety of information concerning the people, their environment, and their culture. This will enable you to have a better understanding of the peoples of **Southeastern Africa** as well as how you can become involved in reaching them for Christ. A brief summary of each of the chapters is provided on the flyer inside.

South Africa won its freedom from Colonial Britain in 1960 and from the repressive Apartheid government in 1994. Now they are enslaved to fear, poverty, corruption, and false religions - so they are "A People Still Waiting" for their freedom. Most claim to be Christians but only a tiny portion have the real freedom that comes from knowing Jesus. **The Truth of the Gospel of Jesus Christ is the only hope for the peoples of Southeastern Africa.**

Our desire and prayer is that God will work in hearts to become involved and step out on mission. This may be through **prayer support**, going as a **short term volunteer**, or as a **career or short-term missionary**. Some of the world's open doors are beginning to close. Please pray that many will realize the urgency of the task of sharing the Good News of Jesus.

Two additional DVD's are available for Southeastern Africa:

- ★ A Deaf People Group Supplement with Subtitles
- ★ The Basotho of Southern Africa

Share the enclosed DVD with your friends and your church family. If you would like copies of the above DVD's or other DVD's produced by CRF Media, please contact us through our web site at [www.crfmedia.com](http://www.crfmedia.com).

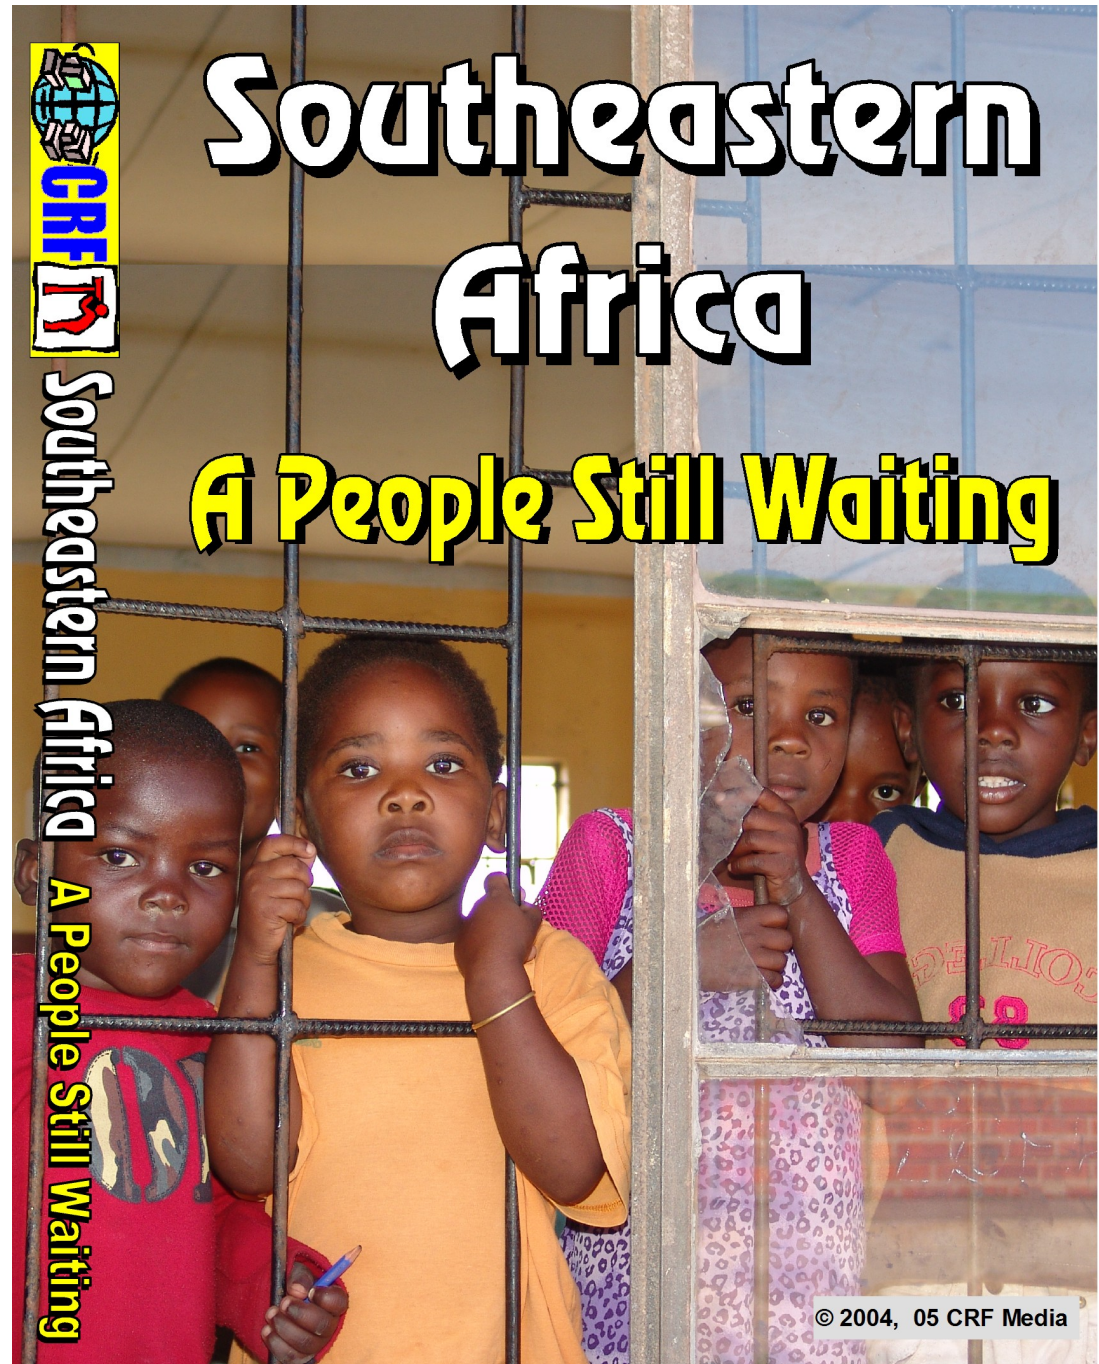

Blessings and joy,
